Financial Policy

As a courtesy, we do call your insurance company prior to your appointment. Any estimated insurance co-pays, and deductible amount is **due at time services are rendered in order to control cost of billing**. I understand that due to insurance policy changes and/or necessary changes in treatment plans, the insurance may vary from the estimated treatment calculation. I acknowledge that this is an estimate only and that I am ultimately financially responsible for all services rendered, not the insurance company. I also understand that all services are due to be paid in full within (90) days of date of service, whether or not my insurance benefits have been received. Should my account exceed (90) days, an interest rate of %1.5 per month will be charged to my account.

Missed Appointments

We recognize the value of your time, and except in the case of an emergency, you can expect us to serve you. If for some reason you should **miss, reschedule, or cancel** your appointment without notifying our office **24 hours prior** to your appointment, you will be charged for the full rate of your visit.

Authorization

I, _____, authorized Dr. Scott Cady to examine and provide me with appropriate treatment. I assume full responsibility for any balance due. I authorize my insurance company to pay by check made out directly to Dr. Scott Cady. I authorize Dr. Scott Cady to release my medical or incidental information that may be necessary for either medical care or in processing applications for financial reimbursement. I understand it is my responsibility to know all rules and restrictions of my insurance policy. It is Dr. Scott Cady's procedure to share Protected Health Information with consulting physicians. We will only exchange minimum necessary Protected Health Information for each transaction.
